 - c. **Trap Range** – Discussed the trap range again with no decisions. In the second half of the year Frank Covie plans to put together a full proposal for the trap range. Romeo Fortin would like to see us have a couple shoots this summer, but the concern is that the calendar is already very full. Members were open to informal shoots on weeknights during the summer

9) Bills & Communications

- a. **No bills or communications this month**

10) Old Business

- a. **Boater Safety** – All ready to go Next Saturday April 10th at the clubhouse. Class is full. Looking for people who would like to take the instructor test – see Shawn Cavanaugh for details.
- b. **Gun Show** – Shawn Cavanaugh recently attended two gun shows in Maine and there appears to be a lot of interest in our gun show. We are moving ahead with the event at this time (6/26-6/27) but are looking for more help. We need commitments from more people to help with the event before we say it is on for sure. Please call any club officer or board member if you can help out either on at Friday night set up, or at the Saturday and Sunday event. At this time we are leaning towards having a third party handle the food with us getting a cut of the profits.
- c. **Cleanup Weekend** – 4/17 8:30AM. Please come and help clean up the club grounds.
- d. **Turkey Shoot** – 4/17 noon-2:00. Bring your own ammunition. Why not come to the cleanup and stay for the Turkey Shoot? Word has it all our Massachusetts members are afraid to compete against the Maine and NH guys/gals!
- e. **Frank Covie will be the Chair of the Board through June.** At that time he will turn over Chairman responsibilities to someone else so he can concentrate on other club related things such as:
 - i. Trap Range
 - ii. Develop a survey for club members – what they would like to see the club do
 - iii. Pistol and Trap Shoot in October
 - iv. Marketing Campaign, and possibly add a new officer for related activities

11) New Business

- a) **We will be selling Ads in our monthly newsletters.** \$5 per Ad per month or \$25 for the year. See any club officer or board member if you are interested.
- b) **New members** – No new members votes in this month.
- c) **Sweatshirts and events** – had a lot of dialog on this subject, such as:
 1. At the Pig Roast charging a higher fee to get in and give everyone a shirt with a club emblem, the year and a catch phrase for that year.
 2. We are out of merchandise (Sweatshirts, hats, t-Shirts, etc). We need to restock – but with merchandise people want.
 3. Chris Dudley is going to look into merchandise and costs. It does not have to be embroidered – could be silk-screened.
